OUR MISSION STATEMENT STATES THAT WE

aim to provide a
Caring Community

where children can grow up confidently and happily
whilst providing opportunities to develop their potential
to the full.

**Determined Admission Arrangements
for Community and Voluntary Controlled Primary Schools
for 2017-2018**

Determined Primary Admission Arrangements

Wiltshire Council Determined Admission Arrangements for Admissions to Voluntary Controlled (VC) and Community (C) Primary, Infant and Junior Schools for the 2018/19 Academic Year

1. General Information

This policy applies solely to applications for places at Voluntary Controlled (VC) and Community (C) Primary, Infant and Junior Schools. Foundation (F), Voluntary Aided schools (VA) and Academies (A) are their own admissions authorities and the governing bodies are responsible for determining their own procedures and policies.

Determined Arrangements for the co-ordination of primary admissions are made with the determined co-ordinated admissions scheme 2018/2019.

The application round for entry into Reception 2017 opens on 1 September 2017. The deadline date for applications to be received is midnight on 15 January 2018. The home address given for the child must be the address where the child is resident as of the deadline date.

a. Designated Area

A designated area is a discrete geographical zone served by a school. The address that determines a child's designated area is the place where s/he is ordinarily resident with his/her parent(s) or legal guardian(s) for the majority of the school week. Most schools have a discrete designated area but some addresses fall within areas shared by two or more schools. Children living outside the county boundary are treated as if the children live within Wiltshire but outside the designated area for the school(s) in question.

b. Preferences

Parents will be invited to state up to three ranked preferences. Each preference will be considered equally. This means that Wiltshire Council will consider all applications against the published admissions criteria without reference to how the school applied for has been ranked on the application form. As far as possible applicants will be offered a place at a school to which they have expressed a preference. Where the applicant has made more than one preference the LA will make an offer for the highest ranked preference school possible with available places in accordance with the standard admission criteria. Where it is not possible to offer a place at a preferred school, and the applicant lives in Wiltshire, the LA will allocate a place at an alternative school. Allocations will be made after all expressed preferences have been considered. An applicant will normally be offered a place at the designated school for their home address. An alternative school may be allocated in cases where the designated school is full and the alternative school is within the safe statutory walking distance and has places available or it is a school to which free home to school transport would be provided.

c. **Children with a statement of special educational needs or education, health and care plans**

All children whose statement of special educational needs or education, health and care plans names a school must be admitted. Once a statement reaches the formal proposed stage the administration of the admission of the young person becomes the responsibility of the Statutory SEN Service at which point this policy ceases to apply.

d. **Published Admission Number**

A Published Admission Number (PAN) is agreed for each school annually and defines the number of places available for the year of entry. All applications must be agreed until the PAN has been reached and this figure will not be exceeded other than in exceptional circumstances, for example, a child living in the designated area for whom there is no reasonable alternative place available would be admitted. "Reasonable" in this circumstance is defined as a school within the statutory safe walking distance from the applicant's home address of two miles for children aged under eight and three miles for children aged eight or over, or it is a school to which free home to school transport would be provided.

e. **Address**

The child's address provided on the application form should be that of the child's normal place of residence. Only one address can be considered for application purposes. The address provided will be used to determine the child's priority for a school place. The Local Authority reserves the right to confirm the address provided by the applicant using the council tax reference number which is provided as part of the application.

For Yr R September 2018 entry, the address used to determine priority of school places for on time applications submitted in the main round, will be the child's normal place of residence as at the deadline date of 15 January 2018.

f. **Shared Parental Responsibility**

Where two (or more) adults have parental responsibility for a child it is preferable that they should agree before submitting an application form which school(s) to name as their preference(s). In cases of dispute, or where two application forms are submitted, the LA will process the application received from the adult who has a residence order. If no such order has been made, preference will be given to the parent with whom the child is living for the majority of the school week.

If both parents are in dispute as to whom the child lives with the majority of the school week, the LA will process the application received from the adult who is in receipt of the child benefit, if this is not available then the address used on the NHS card will be used.

In the event of a further dispute regarding the address used, parents may wish to take independent legal advice on whether they should seek a specific issue order from the court to decide on where the child is schooled. For in year transfer applications, until any such order is made, the placement will continue in the best interests of securing educational provision for the child with a minimum of disruption.

For year of entry, where possible, a place will be offered in accordance with the preferences to the parent who can provide evidence that they are in receipt of child benefit.

g. Multiple Births

The LA will endeavour to place siblings born at the same time (eg. twins, triplets etc) in the same school. If necessary, schools will be required to admit over PAN to accommodate such children. In accordance with paragraph 2.15 of the School Admissions Code 2014, twins and multiple births will be classed as permitted exceptions to the Infant Class Size Regulations. This will only be the case when one of the siblings is the 30th or the 60th child admitted.

h. Children of UK Service Personnel (UK Armed Forces)

Applications for children of service personnel with a confirmed posting to the county will be considered in advance of the family moving into the county if necessary. Where possible, an application must be included in the normal admission round.

An official letter, such as a posting note or letter of support from the commanding officer should be sent to the LA as soon as possible. This should include relocation date and unit postal address or quartering area address (the address of the closest house in the nearest 'quartering area').

Until a fixed address is available, the unit postal address or quartering area address will be used and a school place allocated accordingly.

The LA will not refuse a child of UK service personnel a place because the family does not currently live in the area, it is also not permitted to reserve places for these children.

Children will be considered to be siblings if any brother or sister has been formally offered and have accepted a place at the school. Their position on any waiting list will be set accordingly. The sibling link will not apply if the child that is going to be attending the school will be in year 6.

All applications will be dealt with in accordance with these admission arrangements. If a reasonable alternative cannot be offered, the child may be admitted as an 'excepted pupil' under the School Admissions (Infant Class Sizes) (England) Regulations.

i. Armed Forces Personnel Relocating to Salisbury Plain - a Special Planning area for admissions

Leading up to September 2017 there is initiative to rebase serving armed forces personnel in Germany back to England. The Garrison towns around Salisbury Plain in Wiltshire will be target destinations for a significant proportion of these service families.

Wiltshire Council is proposing from September 2015 to declare the community areas of Amesbury and Tidworth a 'special planning area for Admissions'. The proposal is to give an admission priority to children eligible for service premium, rebasing to settlements around Salisbury Plain until 2018. Wiltshire Council is working closely

with the Children's Education Advisory Service (CEAS), a tri-service organisation funded by the MOD, to make the transition for children and families in Germany as smooth as possible and remove unnecessary complexity.

Wiltshire Council has introduced criteria 'H' to the oversubscription criteria for all community and voluntary controlled schools in the 'special planning area for admissions' and is requesting other admission authorities in the area to consider making similar arrangements.

The 'special planning area for admissions' will be kept under review by Wiltshire Council, including the option of extending the area to include Salisbury in subsequent years.

Applications for children of service personnel with a confirmed posting will be considered in advance of the family moving into the county if necessary. Where possible, an application must be included in the normal admission round.

An official letter, such as a posting note or letter of support from the commanding officer should be sent to the LA as soon as possible. This should include relocation date and unit postal address or quartering area address (the address of the closest house in the nearest 'quartering area') in the 'special planning area for admissions'.

Until a fixed address is available, the unit postal address or quartering area address will be used and a school place allocated accordingly.

The LA will not refuse a child of UK service personnel a place because the family does not currently live in the area, it is also not permitted to reserve places for these children.

Children will be considered to be siblings if any brother or sister has been formally offered and have accepted a place at the school. Their position on any waiting list will be set accordingly.

All applications will be dealt with in accordance with these admission arrangements. If a reasonable alternative cannot be offered, the child may be admitted as an 'excepted pupil' under the School Admissions (Infant Class Sizes) (England) Regulations.

2. Starting School

There is a legal entitlement for all three and four year olds to have access to 15 hours free early education per week – available from registered childminders, school-based childcare, Sure Start Centres, pre-schools, day nurseries, playgroups or nursery schools.

A school place will be made available for children from the September following their 4th birthday. Full-time education is available to all reception pupils.

Parents have the right to ask that their child attends part-time and this will be provided by arrangement with the school governors, (part-time provision has been determined as either five mornings or five afternoons a week).

Schools will be responsible for informing parents of the induction arrangements for new entrants to the reception class(es). These may involve a short period of part-time provision or a phased entry at the beginning of Term 1, which will normally be a fortnight. Individual children's cases should be discussed by the parents(s) with the school directly.

3. Joint admission arrangements with pre-schools

A small number of schools enter into a formal joint arrangement with a pre-school or nursery to provide education jointly to children before they reach statutory school age. Such an arrangement usually involves each child attending school for some sessions each week and attending the pre-school or nursery school does not give priority in itself for admission to the partner school.

The date on which a child can be admitted to a joint arrangement must be no earlier than the start of the term following his or her 4th birthday but can be later than this.

Registration at any nursery or pre-school unit will not be considered as an application for a school place and no priority will be given to such children.

4. Early, deferred or delayed admission

a. Early admission

Admissions earlier than the term following the child's 4th birthday may be agreed in exceptional circumstances, such as medical or social factors that have an adverse effect on the child. The request must have the approval of the LA's professional adviser and there must be no suitable alternative pre-school provision available. Early admission will be agreed for a maximum of one traditional term before the next available normal entry date.

b. Deferred admission until later in the academic year

Parents do not have to ensure their child receives full time education until the start of the term following their fifth birthday. However, parents have the right to start their child in school in the September of the academic year following their fourth birthday. In such circumstances, parents also have the option to start their child on a part-time basis or defer their child's entry until later in that academic year.

If a parent decides to defer their child's entry to the school that they have been offered until later in the academic year, that place will be held for the child and will not be offered to another child. However, please note that entry cannot be deferred beyond the point at which their child reaches compulsory school age (for the avoidance of doubt the law states that a child reaches compulsory school age on the prescribed day following his or her fifth birthday [or on his or her fifth birthday if it falls on a prescribed day]. The prescribed days are 31 December, 31 March and 31 August). For children born between 1 April and 31 August, parents cannot defer entry beyond the beginning of the April term of the school year for which the offer was made.

Please note also that children who attend part-time until later in the school year cannot do so beyond the point at which they reach compulsory school age.

If the parent decides that they no longer wish to take up their child's place, they should inform the school and the Local Authority that the place is no longer required. The place will then be withdrawn and reallocated to the child who is top of the waiting list at that time. The parent must then submit a fresh application for a place in year one for the following academic year. The application can be submitted from April 2019 but will not be considered until at least June 2019.

Parents wishing to defer entry need to apply by the closing date 15 January 2018. Any request to defer or attend part-time should be made to the school as soon as an offer is received.

c. Admission of children outside their normal age group

All applications will be dealt with in accordance with the School Admissions Code 2.17, 2.17a, 2.17b, which came into force on 19 December 2014:

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child (born from 1 April to 31 August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

The decisions on requests for applications outside the child's normal age group are made by the Admission Authority for any particular school, which in the case of Voluntary Controlled & Community Schools is the Council. For Voluntary Aided, Foundation Schools or Academies the Admissions Authority is the governing body of the school concerned. The decision to admit outside of their normal age group is made on the basis of the circumstances of each case.

All parents who wish to apply for delayed entry into reception for any Wiltshire school, must first submit a formal application to the Local Authority. If they are applying for a Voluntary Controlled or Community school, they will also need to make a written request at the time of application to the Local Authority's admissions co-ordinator, providing reasons for the request along with any supporting documentation they wish to include.

If parents wish to apply for delayed entry to a Voluntary Aided, Foundation school or an Academy, then following the submission of the formal application to the Local Authority, the parent should contact the governing body of the school concerned to discuss their request.

All requests should be made in the September following the child's 3rd birthday, in order to give sufficient time for the case to be considered by the admissions authority prior to the deadline for applications of 15 January 2018. In the case of Voluntary Controlled and Community schools, the Local Authority will look at the following factors when an application for admission outside the normal ages group:

- the parent's views
- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;

- whether they have previously been educated out of their normal age group;
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- the views of the head teacher of the school

The Local Authority will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.

If the parental request for delayed admission into reception is agreed, a separate application for a place in the next cohort would have to be made in the September following the child's 4th birthday. This application would be considered along with all the other applicants for admission in that year at the preferred school. There would be no guarantee that a place would be able to be offered in the preferred school. If the preferred school is over-subscribed and **you** are not offered a place, the Local Authority will make an alternative offer. However, please note that delayed admission in to reception in the alternative school may not be possible.

If the parental request for delayed admission into reception is refused, the formal application which has already been submitted will be processed, unless the Local Authority receives a request from the parent to withdraw the application. If no request to withdraw the application is received, then after the offer of a school place had been made the parent can then inform the Local Authority and the school that they want to defer entry as outlined above.

When informing a parent of their decision on the year group the child should be admitted to, the admission authority **must** set out clearly the reasons for their decision. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied.

Right of Appeal for admission of children outside their normal age group

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent Admission Appeal panel. They do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, if parents are dissatisfied with the outcome of the request for delayed entry into reception they have the right to complain against the decision through the Council's complaints procedure for decisions made by council officers or under the school's complaints procedure where the school is the admissions authority.

5. Deadline – applications received by the deadline date of midnight 15 January 2018 will be considered as first round applications

The closing date for main round applications (i.e. applications for entry into Reception 2017) is 15 January 2018.

All applications received after the deadline of 15 January 2018, including those directed incorrectly to schools and not forwarded to the LA before the deadline, will be treated as late applications and considered only after those applications received before the deadline have been determined.

6. **Oversubscription Criteria for Voluntary Controlled and Community Schools**

Where a school is oversubscribed, places are allocated to children in order of the ranked criteria listed below:

a. **Looked After Children/Previously Looked After Children**

The definition of Looked After Children - a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22 (1) of the Children Act 1989.)

b. **Vulnerable Children**

Children from families registered with the National Asylum Support Service; Children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer, general practitioner or specialist showing that it would be detrimental to the child or family not to be admitted to the preferred school.

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of the application and also living at the same address on a permanent basis. Proof will be required and must be submitted by the deadline date.

c. **Linked Infants School (this criterion applies to infant-to-junior transfer applications only)**

Children who are pupils attending year 2 at the linked infant school as at the deadline date, irrespective of the status of the school, i.e. F, A, C or VC.

d. **Designated area siblings and shared area siblings**

A child is considered under this criterion if a sibling is attending the school (or the linked junior school in the case of applications to an infants school) as at the deadline date and will continue to attend the school at the time of entry, and where the child lives within the designated area or shared area at the same address as the sibling. Step, half and foster siblings are included in this category.

e. **Other children from the designated area or shared area**

Children resident within the designated area or shared area who do not qualify under one of the criteria above.

f. **Other Siblings**

A child is considered under this criterion if a sibling is attending the school (or the linked junior school in the case of applications to an infant's school) at the deadline date and will continue to attend the school at the time of entry, and where the child lives at the same address as the sibling. Step, half and foster siblings are included in this category.

g. Children of staff at the school

A child is considered to fall under this criterion

- i. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- ii. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application.

h. Children eligible for service premium relocating to Salisbury Plain

The above criteria will only apply to the following schools:

Durrington All Saints CE Infants School,
Durrington CE Junior School,
Figheldean St Michael's CE Primary School,
Kiwi Primary School, Bulford,
Larkhill Primary School,
Collingbourne C E Primary School.
Amesbury C of E Primary School
Amesbury Archer Primary School

i. Other Children

Children to whom none of the above criteria apply.

Tie Break

If the school is oversubscribed within any category above, the straight-line distance from the child's home address to the school will be used as the determining factor. Distances will be measured according to the Ordnance Survey eastings and northings for the child's home address and the school. Those living closer to the school will be given priority.

If two or more children with the same priority for admission live an indistinguishable distance from the preferred school, but cannot all be admitted, then the available places will be decided by means of casting lots (random application).

The random allocation will be conducted independently by Democratic Services, Wiltshire Council.

7. Waiting lists

Waiting lists will be maintained for all intake year groups in schools. Children will automatically be added to these lists if a preference higher than the school place offered has been refused. All applicants have the right of appeal against any refusal of a place. The existence of a waiting list does not remove this right from any unsuccessful applicant.

The position on a list will be determined by applying the published oversubscription criteria and not by date order of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the oversubscription criteria.

Waiting lists for all year groups will close on 22 July 2019.

A fresh application can be made for a place for the next academic year group but this will not be considered before 6 June 2018.

Places that become available will not be offered to pupils who are not on the waiting list.

If your child is offered a place from a waiting list for any VC or C schools then you must accept or decline the place within 10 working days of the date of offer. If the place is not accepted then a further letter will be sent informing the applicant that should they not accept or decline the place within 5 working days, the place will be withdrawn. A further letter will be sent informing the applicant the place has been withdrawn.

Notes:

- Names will only be removed from the lists if a written request is received or if the offer of a place that becomes available is declined.
- Registration of interest on a school's pre-admission list will not be considered as an application for a school place.
- Parents must contact any VA, F school or the Academy concerned to obtain information on the existence of a waiting list.
- Except for service families, children will not be considered to be living within the designated area for a school until the LA receives an exchange of contracts or a signed tenancy agreement.
- Except for service families, children will not be considered to be a sibling unless their brother or sister is attending the school and is expected to still be in attendance at the chosen start date.

8. Applications for Reception 2018 Intake – applications received after 15 January 2018

Applications received after the deadline of 15 January 2018 will be considered as late applications.

Applications received between the 16 January 2018 and 25 April 2018 will be treated as second round applications.

Applications received after the 26 April 2018 will be treated as third round applications.

9. In Year Transfer Applications for year groups other than Reception 2018 Intake

Applications received after the 24 July 2018 for the year of entry and any applications received for other year groups are classed as transfer applications.

Other than in exceptional circumstances and in agreement with the two schools involved, a transfer will, if the applicant is not moving address, only be considered as being for the start of the next term.

All applications will be considered together with any applications already on a school's waiting list.

Applications for transfer for VC and C schools will be considered no more than a maximum of one term in advance. All requests for admissions to VC and C Schools will be processed in line with the timetable below. All applications will be considered together and are ranked using the oversubscription criteria listed in this policy.

This table gives the earliest date that applications can be sent and when they are considered. Decision letters should be posted within 20 school days of either the date in the last column or, if your application is later than this, our receipt of your form.

Date admission being sought	Earliest application should be submitted	Applications will be processed from
January to March	1 September	31 October
April to July	1 January	15 February
September to December	1 April	31 May

Applications received requesting more immediate admission are considered in the order that the School Admissions Team receives them. If more than one additional application for a particular school is received on the same date places are allocated to children in order of the oversubscription criteria as listed in this policy.

In all cases parent(s)/guardian(s) will be invited to state up to a maximum of three preferences. An offer will be made at the school listed as highest preference possible which has an available place.

If a child is offered a place at any VC or C school then the place must be accepted or declined within 10 working days of the date of offer. If the place is not accepted then a further letter will be sent informing the applicant that should they neither accept nor decline the place within five working days the place will be withdrawn. A further letter will be sent informing the applicant the place has been withdrawn.

If a child is offered a place at any VC or C school and the parent(s)/guardian(s) accept the place, it must be taken up within 28 working days of the required admissions date stated on the original application form. Should the place not be taken up within the 28 working days the LA will then write to the parents informing them that the place has been withdrawn.

10. Proof of address

The LA reserves the right to ask parents for proof of their address. If the parents' current address is different to that held on the LA's computerised system the LA may ask parents to provide proof of the new address if one is indicated. Acceptable proof of address includes:

A solicitor's letter stating contracts have been exchanged and specifying a completion date.

A signed and dated tenancy agreement plus proof of residency (e.g. copy of a recent utility bill).

If parents fail to provide proof of a new address, the LA will use the old address for admission purposes. If parents notify the LA that they will be moving house, even if they provide the relevant proof of that address, they must move into that property by no later than the end of the first term following the notification. The LA reserves the right to check that parents are living in the address indicated within that timescale. If parents are not living there, the applications will be investigated and the allocated place may be withdrawn.

11. Fair Access Protocol

All Wiltshire Schools will act in accordance with the Fair Access Protocol which has been adopted to give access to educational provisions for hard to place children.

If the governing body of any school refuse admission to a child with challenging behaviour where there are places available (outside the normal intake round) the case must be referred to the LA for consideration under the In-Year Fair Access Protocol.

This protocol does not apply to a Child in Care (Looked after Child, a Previously Looked After Child) or a child with a Statement of Special Educational Needs or Education Health and Care Plan (EHCP) as these children must be admitted.

Further information on the In Year Fair Access Protocol including further criteria for referral, and a copy of the protocol, can be viewed at www.wiltshire.gov.uk

12. Appeals Procedure

Parents have a right of appeal to an independent panel against any decision made by or on behalf of the Authority as to the school which education is to be provided for their child.

Information about the appeal procedure will be provided where a place at one or more of the preferred schools has been refused. Parents should contact the Customer Services Team (01225 713010) to obtain an appeals form which should be returned to the Democratic and Members Service team (D&M) at County Hall, Trowbridge. The clerk to the appeals panel will be provided by the D&M Service team.

The timescale for lodging admission appeals is detailed in the co-ordinated admission scheme for secondary schools 2018/19.

If a place has been awarded by the independent appeal panel the place must be taken up within 28 days of the required date of admission stated on the original application form.

Should the place not be taken up within 28 days the LA will then write to the parents informing them that the place has been withdrawn.

13. Further Appeals

Parents who have appealed unsuccessfully can reapply for a place at the same school in a later academic year, and have a right of appeal if unsuccessful.

Where there have been material changes in circumstances in the same academic year and a repeat application is considered and again refused, the parents will have the right to a fresh appeal.

Published Admission Number (PANs)

School – Community	PAN for 2017
Horningsham Primary School	12
